For widest amateur radio distribution possible. Please include in club newsletters, web sites, and Kentucky amateur radio email lists.

To all ARES Appointees,  
As we approach the New Year, it is time to renew your appointment and make sure that KY Section ARES has the most updated information. On January 1, 2008 all KY ARES OES, EC and DEC appointments will expire unless renewed by the appointee.

Renewing your appointment is simple and will take less than 5 minutes. Go to <http://www.kyham.net/form/aresappt.html> and fill out the Station Appointment Application form. Please make sure you do so on or before December 31, 2007. Don't put this off and let your appointment expire.

If you are an ARES appointee without Internet access, send word to me on the KEN or contact me directly at 859-699-7632 (during normal waking hours please)

Renewing ARES appointments will become an annual tradition in Kentucky.
